SOUTHERN DISTRICT OF NEW YORK

KYLE CREWS,

Plaintiff,

-v-

MICHAEL MITCHELL, *et al.*,

Defendants.

20-CV-7173 (JPO)

ORDER

J. PAUL OETKEN, District Judge:

The jury trial in this case, previously scheduled for February 14, 2022, is hereby adjourned to February 16, 2022. This case is the third-priority case for jury selection on February 16, 2022, behind 20-CR-194 and 20-CV-1713, meaning that this case will go forward on that date if the trials in 20-CR-194 and 20-CV-1713 are adjourned (or if courthouse protocols by that time permit jury selection to proceed in my courtroom). A final pretrial conference will be held on February 9, 2022, at 1:00 p.m. All pretrial filing deadlines remain the same.

SO ORDERED.
